

[From the desk of Chairman]

It has come to my notice that few PIUs are not giving the details of deductions made/amount withheld from invoices submitted by contractor or Consultant.

2. It is directed that all RO/ PIUs should invariably give complete details of such deductions made/amount withheld from invoices submitted by them within next 2 days after making payment.

3. This ensures transparency and accuracy in financial transactions in our projects subsequently contributing to the overall progress of projects.

4. In case the above details are not being given to Contractors/ Consultants, they may mail the issue to concerned RO/ PD and a copy to dedicated email – [contractorissues@nhai.org](mailto:contractorissues@nhai.org)/ [consultantissues@nhai.org](mailto:consultantissues@nhai.org)

  
(Santosh Kumar Yadav)
